“Your unforgettable days start with JCL”

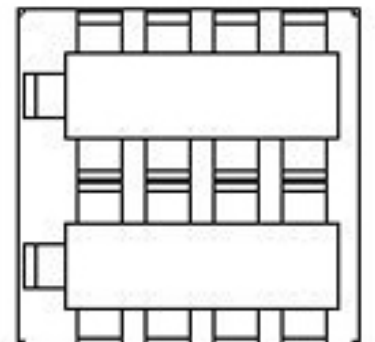

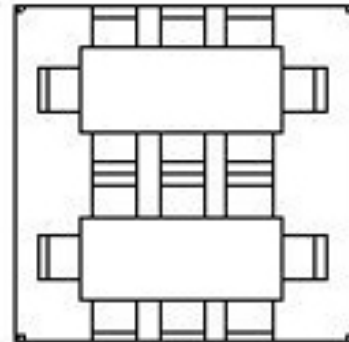

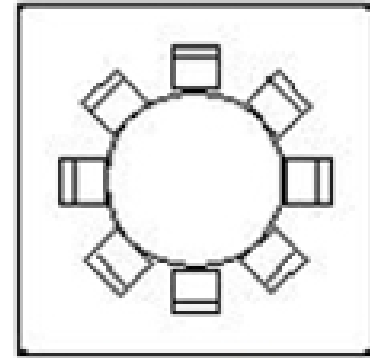

A large white event tent is set up on a lush green lawn. Inside the tent, several folding tables are arranged, some with white tablecloths. There are also chairs and other event-related items visible. The background shows a line of trees under a clear sky. The text is overlaid on the left side of the image, with a pink horizontal bar above it.

“Unforgettable
memories are being
created within,
they’re more than
just tents.”
